

Betty and the Golden Swallow

3A Tommy Chan

Long ago, a little girl called Betty, lived in the woods. She was pretty and poor.

One day, she had a walk in the garden. She saw a wounded swallow. Its wing was broken. The wounded swallow was cute and funny.

The swallow asked for Betty's help. Betty took good care of it. She gave water to the wounded swallow. She wrapped its wing, too.

The swallow said, 'I am the Golden Swallow and I can give you one wish.'

The swallow gave Betty a wish. Betty wanted to be a super star because she wanted to let people listen to her singing.

At the end, Betty became a super star. She was happy and excited.

Today, I went to the beach with my sister and mum. We felt very happy and excited. First, we went swimming in the sea. The beach was very dirty. Then, mum said, 'We can clean up the beach and later we have a picnic.'

After cleaning the beach, I ate some chicken wings. I threw away some paper and a fork. It hurt my sister's foot. I felt sorry to my sister. Mum and I saw the doctor with her.

Today, we were very happy, excited but tired.
