

Our Sports Day

By 4A Fion

It was Sports Day yesterday. All the children did their best in different events. I was happy because I joined the three-legged race with Ada. We were fast. Suddenly, Ada tripped over. She got hurt. She was sad. Then, I called Miss Lee. Miss Lee said, 'Don't be sad. Ada did not hurt badly so she could run.' After that, Ada and I ran fast. We were faster than all the children.

Finally, we won the race. We were excited. It was an unforgettable day.

Our School Picnic

Last Friday, I went to Butterfly Bay to have our school picnic with my teachers and classmates there by coach. The weather was cool and sunny. The park was big. There were barbecue pits and a beach. We played ball games. We ate burger, fruit platter, salmon sushi, spring rolls and banana pancakes. We walked on the beach. In the end, we left the park at half past one. I felt happy. It was an unforgettable day.
